*Start Your First Online Business with \$0 and Zero BS*

---

**BROUGHT TO YOU BY: [KLINH.COM](https://klinh.com)**

No gurus. No fluff. Just tools, templates & freedom.

---

## **Welcome**

You're here because you might be *done* with those online course hype machine & spammy get rich quick ads. You're smart, resourceful — and sick of thousands of dollars courses that overpromise and underdeliver.

So we made this pack for you. It's the exact toolkit to help you launch your first online business using **\$0 tools** and **0% BS**.

Whether you're building a side hustle, freelance gig, eCommerce store, or content engine — [KLINH.COM](https://klinh.com) is your go-to source for automation, tools, and templates.

Let's get to work.

---

## **1. Pick Your Path — Choose the Business Type**

Here are 4 *zero-cost* business models to start from:

- 1. Digital Products (E-books, templates, courses)**
- 2. Print-on-Demand Store**
- 3. Freelancing or Services (with AI help)**
- 4. Affiliate Content Machine (YouTube/Blog/TikTok)**

Choose one — then keep reading.

---

## 2. Build Your Website (Free)

You don't need to hire a designer. Just plug, play, and launch.

 **Use:** [Systeme.io](https://systeme.io)

- Drag-and-drop website/funnel builder
- Email marketing, sales pages, courses
- Free forever plan — all-in-one

 **Pro Tip:** Use their templates and launch a landing page in under 30 minutes.

Optional: Add a blog for content + SEO later.

---

## 3. Sell a Product (No Inventory Required)

### Create & Sell Digital Products

Use this if you're launching an ebook, template, or digital kit.

- [Sellfy](https://sellfy.com) – Upload your digital files, set prices, and sell. No coding, no fees.

### Launch a Print-on-Demand Store

Zero inventory, global shipping.

- [Printify](https://printify.com) – Upload your designs, connect to Etsy or Shopify, and start selling shirts, mugs, and more.

### Build a Mobile App (Optional Power Move)

Turn your site/store into an app — looks pro AF.

- [AppMySite](#) – Converts your website into a mobile app in minutes.
- 

#### 4. Automate & Scale With AI

Let AI do the boring stuff:

##### Content Repurposing

- [Castmagic.io](#) – Turn long-form audio/video into blogs, tweets, and LinkedIn posts.

##### Automated Ads + Creatives

- [AdCreative.ai](#) – Generate scroll-stopping ad graphics and copy in seconds.

##### Email Marketing + Funnels

- [GetResponse](#) – Create email sequences and opt-in forms easily.

##### Online Course Platform (If you go that route)

- [LearnWorlds](#) – Best for launching a legit course platform without dev headaches.
- 

#### 5. Design & Templates (Free + Fast)

Use these for graphics, branding, social posts:

- **Canva.com** – Templates for everything
  - [ProductionCrate](#) – Stock effects, music, templates, intros
-

## 6. Monetize with Affiliate Marketing

Not ready to sell your own product yet?

Start by promoting tools you love (like the ones above). Create:

- TikToks
- Niche blog posts
- AI voice-over YouTube videos

 Most links in this guide is part of our [KLINH.COM](https://KLINH.COM) affiliate stack — you can promote these too.

---

## 7. What to Do Next (Your 3-Step Action Plan)

1. **Pick your business model.**
2. **Build your site with [Systeme.io](https://Systeme.io).**
3. **Choose your monetization stack — [Sellfy](https://Sellfy.com)? [Printify](https://Printify.com)? Affiliate content?**

Then just start posting and iterating. You don't need to be perfect. You need to start.

**TIPS:** If this is still all too overwhelming for you, just start with [Systeme.io](https://Systeme.io). Play around with the platform to understand it, then come back to this checklist. If you need help along the way, don't hesitate to reach out by [replying to this email](#).
